

FAQ

- 1.** I have some furniture and other gently used items that I would like to donate to Genesis. How would I go about doing that?

We are grateful for you thinking of Genesis with these donations! We would ask that all questions regarding gently used items and furniture donations be directed to the Genesis Benefit Thrift Store at **214.520.6644**.

- 2.** If I have donations that I can only bring on the weekends or after regular business hours, can I leave them outside of Genesis at Lucas?

We ask that any brand-new donations or gently used items not be left outside of Genesis on weekends when we are closed. We cannot say with full certainty that your donation will get to the clients who need it when left unattended for a period of time. If you would like to schedule a time to drop off brand-new items, please call our In-Kind Donations Coordinator at **214.389.7775**.

- 3.** Does Genesis ever need donations of gift cards?

Absolutely! Donations of gift cards like Visa, Amazon and Walmart empower our clients to choose and purchase items for themselves and their families. This is a great way to support Genesis throughout the year!
