

STAR, which stands for Students Tackle Abusive Relationships, was founded to give teens in Dallas a chance to come together in support of the Genesis mission. STAR gives students the chance to teach others around them the importance of domestic violence awareness, particularly surrounding teen dating violence. Members of STAR have the opportunity to volunteer at Genesis and help further the message to the next generation so they can be a part of ending domestic violence.

Time commitments are flexible and we are very appreciative of all of the different ways our STAR members support the women and children at Genesis.
